Lemonopolis Lesson Library

MASTERING MENTORSHIP 2.0

volume #5

LEARNING GOALS

introduction

It's that time again! Volume #5 of the Lemonopolis Lesson Library is here! **There are a lot of things youth can learn by participating in Lemonade Day.** Not only will they learn about business and entrepreneurship, but they will also learn principals and skills that can be applied to all aspects of life. Read below for more information on the Learning Goals lesson.

lesson DESCRIPTION

While setting and achieving financial goals is an important aspect of Lemonade Day, there are also **many other learning opportunities** that can be experienced by participating. Your youth might be interested in advertising, budgeting, or customer service. They will also have the opportunity to build social-emotional skills, self-esteem and communication skills that will benefit them in business and in life.

LEARNING GOALS

lesson DISCUSSION

Here are some discussion topics and questions you can ask your youth to reinforce the Learning Goals lesson.

Discussion:

- Help your youth identify skills they hope to gain or concepts they want to learn from the experience.

Questions:

1. What do you hope to learn by participating in Lemonade Day?
2. Why is learning important?

lesson ASSET AREAS

SEARCH INSTITUTE 40 DEVELOPMENTAL ASSETS

The Lemonade Day program promotes and supports the 40 Developmental Assets which identify a set of skills, experiences, relationships, and behaviors that enable young people to develop into successful and contributing adults.

Here are the asset areas covered by the Learning Goals lesson.

COMMITMENT TO LEARNING - ACHIEVEMENT MOTIVATION

helpful RESOURCES

We have several resources available to assist you as you and your youth work through the Lemonopolis lessons.

MY JOURNAL - offline companion to Lemonopolis

MENTOR GUIDE - provides additional information to support mentors including discussion questions and vocabulary

TEACHER'S GUIDE - whether you're currently a teacher in a non-traditional or traditional sense, the Teacher's Guide is a helpful tool where you can find implementation ideas and extension activities that go along with the Lemonopolis lessons
